

Jerry Chaney

I live in Harlan Township near Pleasant Plain, Ohio in Warren County. My wife Phyllis and I raise sheep, cattle, goats, miniature donkeys, ponies, and golden retrievers. We have three grown children and four granddaughters.

I was a 4-H member in Warren County in the late 1950's, showing cattle, sheep, hogs and numerous general projects. My three children were all in 4H in Warren County, and now my four granddaughters are all involved in Warren County 4H.

I have been a member of the Fairboard since 1987, and the fairgrounds Maintenance Director since 1999. I am responsible for the maintenance of all buildings on the fairgrounds including 15 horse barns with over 700 stalls and tack rooms. I assign stalls to trainers/renters and help with the billing and collection of stall rent.

During the Fair I am in charge of building set-up for all events and grounds maintenance. I am also the Director of the barnyard animal display and the sheep lead contest.
